BUSINESS PHILOSOPHY

Treasure Images Sdn Bhd business philosophy is to offer highest quality services at a good value, while keeping carbon footprint and impact on the environment at a minimum.

We are proud to follow the official guidelines for “sustainable filmmaking” issued by the “Filmmakers for conservation”.

LOCATION

Treasure Images Head office is based in the "Rainforest" City of Kota Kinabalu, the capitol of Sabah in the northern part of Borneo. The short distances to the "treasures" of the South China Sea, the Sulu Sea, the Celebes Sea, Mount Kinabalu the highest mountain in South East Asia and some of Borneo's remaining pristine Rainforest make this location an ideal base for TV crews, journalists and tourists from all over the world. We are able to cater for all of them.

TOURISM

Treasure Images Sdn Bhd collaborates with various leading tourism players in Sabah to provide filming services for tourists and is actively supporting Tourism Malaysia and the Sabah Tourism Board with various productions in promoting Malaysia.

CONSERVATION AND RESEARCH

Visual evidence of what happens in our oceans in form of video footage is a vital part of any research project, survey and conservation mission. Treasure Images Sdn Bhd is actively involved in awareness programs to preserve and protect the world's marine biodiversity. We work closely with Malaysian government agencies and various NGO's, including WWF-Malaysia, to promote environmental awareness.
